	Wales total*	302	3,472	110.6	12,617	27.5%
	Resident outside Wales	0	27		137	19.7%

Individuals may be tested more than once for COVID-19. Information presented here is based on 6-week episode periods. If an individual is tested more than once within a 6-week period they are only counted once and if any of their test results are positive, that is the result which is presented.

\*Wales total includes cases where a location could not be determined, and excludes those resident outside Wales.
