Data correct as of:

18 Apr 2020 17:00

Local Health Board of residence	Cumulative deaths
Aneurin Bevan University Health Board	195
Betsi Cadwaladr University Health Board	*
Cardiff and Vale University Health Board	137
Cwm Taf Morgannwg University Health Board	136
Hywel Dda University Health Board	*
Powys Teaching Health Board	*
Swansea Bay University Health Board	93
Total	575

These figures only include deaths occurring in individuals who were laboratory confirmed with COVID-19. The majority of deaths reported here occurred in hospital settings, however a proportion occurred in care home settings. The figures do not include individuals who may have died from COVID-19 but who were not confirmed by laboratory testing. The true number of COVID-19 deaths will be higher. The Office for National Statistics reports on both suspected and confirmed COVID-19 deaths in England and Wales using data available on completion of the death registration process.

* Some local health boards have a very small number of deaths. In order to protect the identity of those who have died, the data from some health boards may be masked. The total number will be unaffected by this.
